SI. No.	Point no.(s) / Clause nos. of NIT	Query (ies) by potential bidders	Remarks / JCI's reply
1	5.0	<u>Queries raised by M/S M.P Engg. Concern :</u> multi queries raised reg. 'Technical Eligibility criteria' and 'Price bid' quotation procedures.	Replied at JCI end. The party expressed his satisfaction over understanding the issues.
2	9.(ah).iv	<u>Queries raised by M/S M.P Engg. Concern :</u> 'Starting Month of Monthly Rent (to JCI)' - The party has clearly told that the required repairing works are much more excess in Kalna weighbridge, in comparison with Pandua weighbridge. He has requested to consider 150.0 days at least (from the Agreement date) for Kalna weighbridge whereas for Pandua weighbridge time seems reasonable.	JCI has told that the matter will be discussed as per internal procedures but has not given any assurance on the matter reg. consideration of the issue.
3	9.j	<u>Queries raised by M/S M.P Engg. Concern :</u> 'TERMINATION & MODIFICATION' - He has told that this clause is one sided & there is not sufficient space for bidders.	JCI has told that the matter will be discussed as per internal procedures but has not given any assurance on the matter reg. consideration of the issue.
4	7.0	<u>Queries raised by M/S M.P Engg. Concern :</u> reg. 'Evaluation Matrices' - asked whether the Work Order will be issued single sitewise or in totality .	JCI has replied that Order will be issued as per Single sitewise, of 'H1' bidder (in general sense).
5		Agreement period : The party has told that the Agreement if executed for 05 years(instead as mentioned 03 years) will be more lucrative offer for him. Requested for consideration of the matter .	JCI has told that this may not be possible, as the RFP floated for 03 years contract condition.
